President's Musings June 2023

Warm June wishes to all! I am pleased to report on our recent in-person OJC Club meeting that took place May 30th. Around 20 members assembled (around 25% of current membership!) and had a very worthwhile and open conversation about the state of OJC. We talked about opportunities to attract new members and to weave our activities into other classic car events in our region. No less than 4 past-Presidents were in attendance as well as many who have held other positions over the years - and a few newer members also came out. Lots of generous advice and input was given. Overall, I felt the mood was positive - yet realistic. Jaguars are not plentiful on the road, they are not quite in step with the younger enthusiast car clubs where drifting and mods are the norm, and yet we took note of other British marques where membership and activities continue to be robust. I feel we left with things to consider as the OJC evolves, and in the meantime we will continue to enjoy camaraderie and events for our members with the realization that if we have 10 cars and members come to an event, we will work to offer a great activity to those 10 cars and members! Again, I invite you to contact any member of the Board to offer a few volunteer hours - we really have a core of 5 or 6 folks who are organizing things and they are stretched pretty thin!! Enjoy your driving and wind out those engines a few times for the Club please!

A bit of History

The Jaguar Mark IV (a name applied retrospectively to differentiate them from the officially named Mark V) was a re-launch of the Pre-War model made by SS Cars Ltd. Before the Second War the name Jaguar was the model name given to the complete range of cars built by SS Cars Ltd. The saloons were titled SS Jaguar 1.5 liter or 3.5 liter, and the two-seater sports car was titled the SS Jaguar 100 2.5 liter or 3.5 liter.

A Bit of News: JLR owner set to sign UK battery plant deal

5

By John Corser Wolverhampton Business Published:

May 24, 2023 Last Updated: May 25, 2023

Jaguar Land Rover's Indian owner Tata is set to announce it will build a multi-billion pound electric car battery plant in the UK. Tata is reported to have decided on a site at Bridgwater, Somerset, near to the M5 for its 'gigafactory' rather than going for a rival site in Spain. The batteries from the factory would be used in electric drive units and battery packs assembled at JLR's plant at the i54, north of Wolverhampton. The JLR Engine Manufacturing Centre is being renamed the Electric Propulsion Manufacturing Centre, with the switch from internal combustion engines as part of a JLR investment of £15 billion over five years in an all-electric future for its luxury cars. Tata chairman Natarajan Chandrasekaran is expected to fly to London next week to meet Prime Minister Rishi Sunak and finalise the deal.

We have already held some very successful club activities and as with previous years, the summer is when we host most activities and members get out, get reacquainted and new members get to introduce themselves and make new friends.

If you are interested in volunteering to lead an event or assist during any event, please contact Jim Butcher at ottawajagclubtreasurer@gmail.com. Also, if you have any ideas for an event please contact Jim, we have drives, we have technical sessions, we have "lunch and learn sessions - usually occurring in the evening so may be better called "supper and soak-up sessions"!

Again, this year there are reoccurring events, such as:

- weekly - Wednesday morning breakfasts (around 8 am) at Stacked Restaurant on Bank street
- monthly - Jags and Java (2nd Monday evening 7pm - 9 pm) Tim Horton's parking lot corner of Bank Street and Hunt Club

Here are the non-reoccurring events that have been planned so far, please add them to your calendars:

A 90 minute trip ending at Moose Creek at The Creek Restaurant for lunch (www.wearethecreek.ca). RSVP by the evening of June 22 to Wendy VanderMeulen 613-282-0575 (Call or Text).

Please look for updates in the monthly Jottings newsletter as well as on our website

(www.ottawajaguarclub.com).

Jags and Java

The popular Jags and Java is returning for its second season. This is an informal monthly gathering where we meet over coffee and pizza, show off our cars, and share the fascinating history of Jaguar automobiles with interested passers-by.

This event will begin on the second Monday evening in May and it will continue throughout the summer on the **2nd Monday every month until September and October** *when the shorter evening sunlight necessitates its move to Saturday mornings.*

We invite you to join us:

7:00-9:00PM in the parking lot adjacent to the:
Tim Horton's
2495 Bank Street in the Southgate Shopping Centre

Meet casually with friends and other members over coffee, donuts and pizza. Bring along other Jaguar enthusiasts and prospective members to join in the fun.

See you there.
