President's Musings for October 2026

Bonnie Newson
President

Fall colours are finally starting to show their autumn hues. It's such a gorgeous time of year to take our Cats out for the scenic wonders our area has to offer.

It's also the time of year that your OJC Board of Directors & Officers are preparing for the upcoming **Annual General Meeting**. The AGM is scheduled this year to take place on Saturday, November 14, at Buster's Bar & Grill, 420 Hazeldean Road, Kanata <https://www.bustersbarandgrill.ca/>. We will start with brunch, ordered from the menu, at 11am with the meeting commencing around 12pm noon. This arrangement and venue have worked very well in the past. The agenda and other pertinent information will be sent to all members by the end of October. I hope to see many Members there.

We had jam packed event choices during the Month of September. On **September 12th**, Wendy Vandermeulen organized the second 'Ladies Lunch' of 2026. At this lunch I was pleased to meet Joan Bell, a former OJC Member who plans to rejoin soon. See page 7.

Thanks go to Mark Roberts, for organizing the **September 19th** Fall Colour Drive through Calabogie, Lanark & Aston was very well attended. See page 8 for full story.

OJC Members were invited to the Jaguar Hunt Club Dealership to attend a Cars & Coffee event they were holding on **September 26th**. Eight Member Jags and 1 Member Cobra attended. Many other Members attended without their vehicles. See page 13 for full story.

Membership wise, I am pleased to report that we had 1 returning Member rejoin in September. Welcome back Lee Keeley. It's our pleasure to have you return, and it was great to catch up with you at the Fall Colour Drive.

Last, but not least... It is my pleasure to report that Barry Paulson has accepted the role of Interim Vice President and will attend the upcoming AGM in that capacity. Thank you Barry.

Cheers,
Bonnie

OJC Ladies Social - The Mill Brew Pub

by Wendy Vandermeulen

Saturday, September 12 turned out to be a great day for the Ladies lunch at The Mill Brew Pub. In spite of the perfect weather, we ended up sitting inside because - it turns out - groups of more than 8 cannot be accommodated on the patio and there were 11 in our group. But we had a [mostly] private area with a wall of windows to make it [almost] feel like we were outside. But that didn't matter at all. It was the food and the chatter that was the point of the event anyway, and there was plenty of both.

Three people had a bit of a time getting to the Pub (yours truly included!) but we all made it in the end. Conversation was very pleasant and informative (Did you know that Gabrielle plays a mean game of tennis?!). And our secretary invited a casual acquaintance who turned out to be Joan Bell, the widow of a member from long ago - Doug Bell. How many of our "old timers" remember the drive we took to their condo in Tremblant a million year ago?! Well, she recently bought herself a Jaguar and is planning to join the club!

We all enjoyed the afternoon very much. Someone even suggested we do this every Saturday! Nice idea... but No. Regularly, Yes. Every Saturday, No. ☺ This was our second event this year. Next year, we'll aim for three. Let's see how that pans out!

Calabogie - Lanark - Ashton Drive *by Mark Roberts*

The last OJC planned drive was perfect. Okay, maybe not perfect, as there was a 4km section of Highway 508 that was under construction, and Paddy had an exciting moment when their car almost gained a new deer hood ornament just outside Kinburn. Other than that the drive was perfect, perfect weather, excellent roads, mix of driver focus roads and relaxed cruising roads, as well as beautiful scenery and some spectacular views. There were even some fall colours; not many and somewhat muted this year, but a bit of a taste of what is to come in the next couple of weeks, none the less.

We had 12 cars in our tour, 11 Jaguars ranging from the 1960's through to the 20'teens, plus one brand X. All cars seemed to run well with no issues, and all participants seemed to enjoy the routing.

September Drive to Calabogie & Back (Concluded)

The lunch stop at the Ashton Pub also appeared to be a hit. The reservation was for 22, and we actually had 22 seated. From what was seen and heard, the food was good, the conversations were better and the laughter was free flowing. Quite the day.

For all who showed up for the drive and all who came for the lunch, I truly wish to thank you. It is always a bit of a leap of faith to try to come up with the routing for a drive. To make it interesting and maybe a bit of a challenge, but not over do it. So to see and hear first hand how well the drive was enjoyed, that is the best reward. Thank-you.

Cars & Coffee at Jaguar Land Rover Hunt Club

submitted by Bonnie Newson

OJC was invited to visit or participate in a Cars & Coffee event held on Saturday, September 26 at the Jaguar Land Rover Dealership on West Hunt Club Road www.jaguarhuntclub.ca. Mother nature blessed the occasion with warm temperatures and blue skies - a very important factor in an event that has an outdoor element to it!

Cars & Coffee took place from 9:00am-2:00pm with a variety of classic cars of all marques in attendance in a kind of 'cocktail party' fashion. Some came for a short visit and some stayed longer. There was a steady stream of vehicles coming and going throughout the day. It was great to see a number of OJC Members attending. Some with their Jags, some visiting without.

The showroom area was set up with a pop-up café sponsored by Sofia Vintage Motor Café www.sofiavintagemotorcafe.com providing specialty coffee and pastries.

Bonnie Newson, OJC President with Dr Hassan Maghadam, owner of the Sofia Vintage Motor Café, and the Baristas who served a large crowd very well

Farinella (www.farinellaeats.com) catered a smorgasbord of mini focaccias, sandwiches on mini brioche buns, smoked salmon, their famous 'pizza by the meter' and a plethora of desserts.

Ted Rose, General Manager of Jaguar Land Rover Hunt Club (www.jaguarhuntclub.ca), with his 1967 Morgan +4.

Ted has an interesting story of the history of his car...

'It is a bit special being a "run out" model in 1967 as Morgan was preparing to introduce the +8 the following year, so this car is equipped with most of the options normally reserved for the competition models including the low line body. I am the second owner and have had it since 2010, after which I restored the car, as it had been sitting in outdoor storage for 27 years. Rob Staruch (Vintagejags) sourced the car for me and the original owner was Neville Smith. Here is a link about Neville; <https://descan.ca/fellow/neville-smith/>. I had seen one at a new car show with my parents in Vancouver in 1967 and thought "That is the car for me" however, it took a little longer to get one than expected but it was worth the wait and I thoroughly enjoy it.'

Thank you, Ted Rose for inviting our Club to participate in the Cars & Coffee event and also thank you to OJC Member Barry Paulson for coordinating the OJC RSVP's with Jaguar Hunt Club.

E-TYPE ROTISSERIE

by Bonnie Newson

The Club owns this E-type Rotisserie, and it is available to anyone who would like/need to borrow it or claim it for their own. It was built by OJC Member Dave Clyne to restore his own E-Type. From then it has been used by a few other Members.

It is currently stored in garage space near Kemptville. It is complete with hardware and ready to be put together. The pieces can easily be transported in the back of a pickup although the main shaft, which is about 10 feet long (to fit the length of an E-Type) may be tricky and require a different mode of transportation.

Please contact Bonnie at ottawajagclubpresident@gmail.com if you are interested, might have an E-Type project on the horizon or know somebody who could use it.

The following are pictures of Dave's restoration in progress using the E-type rotisserie....

For Sale

Several years ago, I was a member of the Ottawa Jaguar Club, beginning shortly after we purchased a 1986 Jaguar Vanden Plas from the former Jaguar dealer on Merivale Road. I have not been a member for several years but have corresponded with Mike O'Brien and Phil Karam regarding various issues since that time. It is a beautiful car and, with bits and pieces being replaced, as needed. However, I have not driven it much in the last year and my mechanic told me last fall that the two gas tanks need replacing due to a build-up of sediment that he cannot remove. Nonetheless, he was able to drive it and put it in our garage for the winter.

1986 Jaguar XJ12 Vanden Plas - Beautiful, Well-Maintained Classic Car (VIN: SAJBN1047GC4470) Based on the VIN **SAJBN1047GC4470**, your vehicle is a **1986 Jaguar XJ12** Series III, equipped with the iconic **5.3L V12 engine**. It was manufactured at the historic **Browns Lane** plant in Coventry, England.

Excellent body, leather, engine and mechanics. Purchased from the Ottawa Jaguar dealer in June of 1992, this sedan has been continuously cared for in terms of its exterior, interior, and under-the-hood. Mileage is 124,100 km. It has never seen a winter and has been kept in the garage when not in use. Its finish is a glossy grey/Wedgewood blue, with a grey leather interior and a burled walnut console. Original jaguar spoked wheels. It has an automatic transmission, sunroof and all-season Pirelli tires. Car is equipped with a lifetime anti-rust electronic device (\$1,100 in 2006). It was appraised for insurance in November 2007 at CAD \$40,000. Additional photos, repair and maintenance records are available upon request, as is the original manual. In the past year, it has not been driven frequently enough and as a consequence, it is in need of two new stainless steel gas tanks because of deposit build-up in the current tanks. I have sourced these from Moss Motors, and can provide the order information and cost details upon request. It is a very beloved car, but as it is not likely that I will be able to drive it as often as it should be, I am hoping to find someone who will care for it just as it has been. Price is negotiable. Just looking for a good home. Please contact

We are pleased to introduce a value added Jaguar resource, available at a discounted cost to all Members, in addition to your OJC Membership. A separate Membership to the Jaguar Enthusiasts Club (JEC) is being offered at a discounted cost.

Barry Paulson, an OJC as well as an OJOA Member and Inter-Club Liaison for both, has successfully negotiated with the Jaguar Enthusiasts Club (JEC) to offer a savings of approximately 20% off of their regular membership fee. This offer was presented to the Ontario Jaguar Owners Club (OJOA) last year, and is now in its second year, has been well accepted by their Membership.
